Twala Women's Group

Delicious, innovative Kenyan drinks

There are few ways to earn money in the beautiful but harsh landscape in the remotest part of the Lakipia Plateau in Northern Kenya. The Twala Women's Group, with the help of the Uaso Ngiro Baboon Project (UNBP), has developed cocktail syrup from the sweet fruit of the prickly pear cactus. Opuntia syrup is the delicious and gorgeous ingredient in our original Kenyan Cocktails.

Uaso Ngiro Baboon Project

Science to understand "our" origins

Conservation to guarantee "our" future

Visit www.baboonsRUS.com for more information!

Drunken Monkey

Ingredients

- 1-2 tablespoons opuntia cocktail syrup
- 1 shot of vodka
- 1 bottle of Tonic water
- Add ice and a slice of lemon

Twala Sunset

Ingredients

- 1-2 tablespoons of opuntia cocktail syrup
- 1 shot of rum
- Half a glass of passion juice
- Fill the rest up with soda water
- Add ice

Opuntia Chai (tea full of vitamins)

Ingredients

- 2 tablespoons of opuntia syrup
- Add hot water
- Add sugar to your liking
